

On the boards for Dec. 18

by Alison Ryan

Published: December 18th, 2006

Bainbridge Design

Bainbridge Design is working on a remodel of the Beaverton headquarters of Welch Allyn Inc. The revamp of the space includes new client training rooms, updated office space and a new employee cafeteria.

Robertson Merryman Barnes Architects is the project architect. The Bainbridge team includes Andrea Bainbridge and Sermin Yasilada.

The project is expected to be completed in spring 2007.
